## Obeying the 6th Commandment

The wordladder puzzle starts with 2 words on the ladder. You have to transform the word on the top of the ladder into the word at the bottom of the ladder. On each step of the ladder you must replace 1 letter of the most recent word and you can change the order of the letters to make a new word. The first word is the name of the man whom God gave the Commandments to. The pictures will give you a little clue about some of the other words
